**WP** = Original Warpaints  
**AIR** = Warpaints Air  
**GW** = Citadel by Games Workshop

Painters everywhere are making the switch to Warpaints Fanatic by The Army Painter. To help with this transition, we've created a handy conversion chart. This chart enables you to find the closest matches between Warpaint Fanatic, our original Warpaints-range, and Warpaints Air, as well as paints from other popular manufacturers. The suggestions in this chart provide close colour matches, however they are not always exact, but close enough for even the most discerning gamer.

Good luck with your colour conversion!
